SUBJECT: **FUNDING AUGMENTATION FOR WE CAN HELP FOUNDATION,
CONTRACT NO. H-702012**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for We Can Help Foundation using the delegated authority granted by approval of Board Agenda Synopsis #42, May 31, 2005. This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding increase based on the Sobky v. Smoley court litigation where agencies are allowed to request funds to cover additional persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
